#### APPEAL OF WAITE CASE IS CERTAIN TO BE MADE SOON

GRAND RAPIDS, Mich., May 30.—Definite announcement was made here by Clyde Waite, brother of Dr. Arthur Warren Waite, that an appeal would be taken from the verdict returned against the young dentist last Saturday by a jury in New York, which found him guilty of murder in the first degree for poisoning his millionaire father-in-law, John E. Peck, of Grand Rapids.

Clyde Waite, who with his father, returned from New York, said an appeal would be taken, irrespective of Dr. Waite's wishes.

#### FORD WIRES HE WILL DEFEND LIBEL ACTION

WASHINGTON, May 30.—Colonel Robert M. Thompson, president of the Navy League, has received a telegram from Henry Ford stating he will appear in the \$100,000 libel suit filed by the league in the courts of the District of Columbia.

Mr. Ford charges Colonel Thompson with a refusal to produce books and papers showing the source of the league's contributions and Colonel Thompson, in his telegraphic reply, asserts that the documents were offered for Mr. Ford's inspection before the libelous statement and Mr. Ford "hippantly declined" the offer.

**Boy Is Burned to Death.**  
BAKER, Ore., May 30.—In an instant transformed into a living torch by flames which shot from the stove near which he was playing, Richard the 3-year-old son of Mr. and Mrs. J. Yankee, living on Rock Creek, in this vicinity, was so badly burned that he lived only seven hours.

Mrs. Yankee rushed inside the house when she heard the screams of the little one, seized him and succeeded in smothering the fire, suffering, however, dangerous burns.

#### WESTERN PACIFIC TO BE SOLD ON JUNE 28

SAN FRANCISCO, Cal., May 30.—Notices of the Western Pacific foreclosure sale will be posted simultaneously in San Francisco, New York, Reno and Salt Lake, according to court arrangements. The auction is to be conducted June 28 at the Oakland terminal of the system, with Federal Commissioner Knell officiating. The minimum price is \$18,000,000, as fixed by Federal Judge Dooling, and majority bondholders are expected to buy in the road at that figure.

**Methodist Conference Closes.**  
SARATOGA SPRINGS, N. Y., May 30.—The general conference of the Methodist church ended here at noon Monday.

#### ROBINSON'S CIRCUS WILL BE HERE NEXT MONTH FOR ONE DAY

BIG SHOW WILL BE DELIGHT TO  
SMALL BOY; DATE OF COM-  
ING IS JUNE 14.

The first real sign of spring is here—the advance announcements of the coming of the small boy's joy and delight—the circus. The famous John Robinson Ten Big Shows will exhibit in Pendleton on June 14, and with the trouping "white top" outfit will come the big elephant, the shapely and nimble bareback lady rider, the funny clown chasing clown, the sideshow freak, the pink lemonade and palatable roasted circus peanut, and what is more important perhaps to the little folks than anything else, the free street parade with its attractively carved wagons, strikingly plumed horses, gayly caparisoned riders and drivers, the brass bands of crashing music and the siren shrieks of the inevitable steam callopes.

The Robinson Shows, very much better known in the east than out this way, where they have not been seen for well nigh to a quarter of a century, are said to equal if not actually eclipse all other canvas covered amusement organizations in the quantity and quality of their multitudinous attractions. From the famous Nelson Family of two generations of tumblers and acrobats, the Lyeno troupe of imperial Japanese equestrians, the noted equestrienne, Madam Bedini, and her collection of educated horses, including the waltzing and tangoing equines, Jack Morgan and Starlight, and Melrose and Mears, and the Riding Circus, daredevil standing and somersaulting bareback riders, down to the bewildering host of sensational novelties in the sideshow annex, the Robinson Circus is credited generally with being right at the top of the first division of the world's largest and greatest tented combinations.

As it appears pretty certain that the Robinson shows will be the only circus to visit the coast this season, more than ordinary interest seems likely to center in the coming engagement here.

This is the same big circus that so auspiciously commenced a two day's engagement yesterday in Portland.

#### WILSON MAY TALK TO ST. LOUIS ON PHONE

WASHINGTON, May 30.—An effort is under way to have President Wilson address the St. Louis convention by telephone when he accepts the democratic nomination.

#### VON BUELOW COMING TO U. S. ON SECRET MISSION; MAY BE AMBASSADOR.

PRINCE VON BUELOW  
German Ambassador

LONDON, May 30.—The Exchange Telegraph Agency says that Prince von Buelow, formerly Chancellor of the German Empire is on his way to the United States on a special mission and that he will probably succeed Count J. H. von Bernstorff as ambassador to the American government.

The German diplomatic corps is stated to be undergoing a general change.

Many reports have been received in this country that Count von Bernstorff was due to be given an important post at Berlin where his following was reputed to be among the court officials who have recently triumphed over the extremists. Count von Buelow has been generally accredited since the opening of the war with holding the Kaiser's peace planning in his keeping. Much of his time has been passed in Switzerland with the peace atmosphere surrounding him. The news of his possible coming to Washington takes on special interest in view of the close relations which have existed between Prince von Buelow and the Papal court, which in conjunction with Spain and the United States, has been mentioned as active in new peace negotiations.

**A SYMPATHETIC WOMAN.**  
Who has herself found relief from suffering is usually willing to offer helpful suggestions to her friends and neighbors who suffer likewise. That is the reason why Lydia E. Pinkham's Vegetable Compound has today such an immense sale. It is bought because all over this country well women are telling other women how this wonderful medicine made them well.—Adv.
